Ring-tailed Black Brown Mongoose Bamboo
 Crowned Koala Red-bellied Sloth Aye-aye

Did You Know?

- ❖ Madagascar is the only place lemurs naturally call home.
- ❖ Like many species on the island of Madagascar, lemurs are thought to have made it to the island by rafting on vegetation 40-60 million years ago.

How you can Help:

- ❖ Buy food and products that are sustainably sourced.
- ❖ Support organizations that protect & restore rainforest habitat in Madagascar.
